GRADE 6 VELD SCHOOL:

Unfortunately the Grade 6 veld school is also influenced by the lockdown. Children's safety and academic performance is first priority at this stage and therefore the veld school will not take place in October. More information will follow on re-opening of schools.

FROM THE SCHOOL GOVERNING BODY

Fellow parents,

I greet you at this critical time of South Africa's battle with the Corona virus pandemic on our shores, in the spirit of empathy and unity. I write on behalf of the school governing body to communicate a few decisions taken by the SGB during the lockdown.

In these trying times, we took a decision to extend the period for the application for school fees exemptions and discounts by 30 days from the day of schools re-opening. This will allow parents who need to be considered for partial or full exemption from school fees, time to make these applications. Please note that applications are considered based on a formula determined by the provincial government.

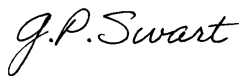

We would like encourage parents to continue paying school fees so that we can meet our monthly debts including rates, taxes and salaries. We took a decision to pay all our staff full salaries at the end of April 2020 and to review this monthly should the lockdown continue. It is therefore our plea to you parents to continue paying school fees so that we alleviate any pressure on the school's finances.

I would like to thank the principal and the teaching staff for their marvellous efforts in ensuring that our kids continue to learn from home. This will make the recovery of lost time easier as it would be like revision and I am optimistic that our results at the end of the year will testify to these efforts. We continue to monitor the situation and utilize all sorts of available forums including FEDSAS, teacher unions, government communications etc. We adopted a pro-active approach and have setup a response task team which will put together a proposal outlining how we will make our school a safe learning environment post lockdown while still battling the corona virus. These measures will be communicated to you before schools re-open and I would like to appeal for your support in advance.

Finally, let us continue to observe measures put in place by our government to curb the spread of this virus. May God bless and protect you and your loved ones.

Regards,

Bryan Lesheke
School Governing Body Chairperson
Laerskool Rietfontein-Noord

Principal
Mr. G.P. Swart
